

On behalf of the National Association of Benefits and Professionals of Fort Worth we are proud to nominate Russell Rice for the Howard R Gordon Memorial Award.

Over the years of working with Rusty I have learned he does not seek the spotlight, but he is constantly working behind the scenes for the growth and development of our Association. He has been actively involved in the Local, State Regional and National levels for years. His commitment to professionalism and best practice is embraced by every member at every level. He not only shows leadership in the association but also is involved in Volunteer programs and does not hesitate to give back to the community.

It is our great honor and privilege to support this nomination for Russell Rice.
