

ADM & ADM+ Powering Your Profession

The **National Association of Benefits and Insurance Professionals' (NABIP)** network of more than 100,000 licensed health insurance agents, brokers, and other benefit leaders make the difference every day in the lives of millions in our neighborhoods and communities.

With you, we deliver our essential mission: ensuring Americans have access to high-quality, affordable healthcare and related benefits.

Your support powers our ability to **advocate for sound public policy, deliver professional growth opportunities, and explore strategies to augment the services, products and counsel** we provide for so many.

Invest in Advocacy for Our Profession

NABIP offers two, flexible **Agency Dues Models (ADMs)** – **ADM** and **ADM+**. The models simplify dues and payments and provide full membership and related benefits to all of your agency's employees.

It's Easy as 1-2-3:

- 1 Complete eligibility form and the spreadsheet listing all current Eligible Agency Members (EAM).¹
- 2 Once confirmed, your itemized invoice will outline the monthly cost, including prorated dues for any current EAM.
- 3 Each EAM receives a welcome email with their NABIP log-in information and a description of all benefits.²

ADM – For Agencies Between 2 & 100 Enrollees

ADM is available to agencies of two to 100, which enroll 100 percent of EAMs. It offers one payment per month based on agency size, one renewal date and the agency owns the slots.
