**Subject: Testimonial from personal friend Danny Marsh**

I have known Bruce Benton for most of my life, and he is one of the most self-sacrificing, thoughtful and humble men I have ever met.

His willingness to be of service to those in need is an exemplary testimonial to how a kind gesture, a gentle suggestion and a kind ear can be helpful to those in our community.

His ability to listen, and when needed, advise those who are struggling has affected many lives. He is a great teacher of compassion and caring. I have witnessed him help so many people who just require a simple direction, or some guidance that effectively aids their recovery from the situations they are in.

With great respect,  
Daniel J. Marsh

All my best,
