TAHU 1st Annual Virtual Golf Tournament Fun-Raiser

Thursday, May 17th

Flying Tee – Riverwalk Crossing, Jenks OK

This is a FUNdraiser for OSAHU our State and TAHU our Local Chapters.

With the new additional time constraints placed on all of us due to ACA and other regulatory requirements, we're no longer able to hold our traditional Golf Tournament fundraisers that helped to fund the vital responsibilities of OSAHU such as: our Legislative Defense Fund, Lobbyist, State PAC administrative expenses, HUPAC Admin Fund contributions and Lobbying in DC.

While our membership numbers have declined in recent years due to M&A on both the Agency and Carrier sides, but the need for Consumer Advocacy continues to grow substantially.

This should be a great event because it is not really affected by weather, it is a 20 min drive from almost anywhere in Metro Tulsa and you can invite anyone as a guest! What a great PR opportunity to show friends, family and clients what brokers do for the community.
