

2022 Delegate Appointment Form

The NAHU House of Delegates provides chapters and their members the formal opportunity to shape the direction of their association. Exercising this right, by sending delegates to the convention, is one of a chapter's greatest responsibilities.

Each NAHU chapter is entitled to three voting delegates. One additional voting delegate is allowed for each additional 50 active members above 100 members listed on NAHU's roster on March 31, 2022. (i.e. A chapter with 150 members is entitled to four delegates and a chapter with 200 members is entitled to five delegates.) State chapters, if entitled, can send a maximum of eight delegates to the House of Delegates. Local chapters have no such maximum. Chapters may appoint one alternate for each one of its delegates, if a chapter qualifies for six delegates; they are entitled to six alternate delegates. An alternate may replace a delegate unable to fulfill his/her voting duty.

Please DO NOT combine more than one chapter's appointment information on one form.

The following delegates and alternate delegates have been selected to represent:
