Statement on the Confirmation of Representative Mike Johnson as Speaker of the House

Washington, DC – The National Association of Benefits and Insurance Professionals (NABIP) congratulates Congressman Mike Johnson (R-LA) on his recent unanimous election by the House Republican Conference as the next speaker of the U.S. House of Representatives.

“Speaker Johnson steps into a critical leadership role at a decisive moment for our nation, and we are committed to engaging in productive, bipartisan dialogue with him, the committees of jurisdiction, and the entire House leadership,” stated Jessica Brooks-Woods, CEO of NABIP. “Our healthcare-funding system is confronted with significant challenges, and Speaker Johnson’s proven track record, particularly his leadership as Chairman of the Republican Study Committee, positions him well to address these complex issues.”

“Speaker Johnson’s comprehensive understanding of the American healthcare system and his support of private sector solutions for healthcare consumers is critical at this time,” said NABIP President Eric Kohlsdorf. “We are ready to work collaboratively with the speaker, Minority Leader Jeffries, and all lawmakers to promote our key legislative initiatives that are founded in the best interest of all Americans. Our shared objective is to facilitate access to affordable, quality healthcare coverage, and we believe that through bipartisan cooperation, we can contribute to meaningful progress in this area.”
