**NABIP Congratulates President-Elect Donald J. Trump**

Washington, D.C. – Jessica Brooks-Woods, CEO of the National Association of Benefits and Insurance Professionals (NABIP), which represents more than 100,000 licensed health insurance agents, brokers, consultants and benefits professionals nationwide, today issued the following statement:

“NABIP congratulates President-Elect Donald J. Trump on his election as the 47th President of the United States. We welcome his dedication to addressing the challenges within our healthcare system and expanding access to affordable, high-quality healthcare for all Americans.

“NABIP remains committed to supporting reforms that protect and broaden healthcare access nationwide. Our top priorities include easing healthcare transitions for seniors by better aligning Medicare and COBRA, ensuring that Medicare agents receive fair treatment in the marketplace, and reducing administrative burdens on employers to help them provide quality health coverage efficiently. We are eager to collaborate with the Trump administration on these priorities, as well as on initiatives to lower prescription drug costs, expand affordable coverage options, enhance transparency around hospital and insurer pricing, and ensure Americans have access to trusted providers and health insurance professionals.

“NABIP reiterates its commitment to supporting agents, brokers, and the communities they serve through our [Healthcare Bill of Rights](#). Our mission is to ensure that every American has access to quality, affordable healthcare guided by professionals who prioritize patient advocacy and equitable healthcare solutions.

“We look forward to working closely with President-Elect Trump and his administration on these essential healthcare issues, fostering a healthcare environment that prioritizes accessible, affordable options for all Americans.”
