

Introducing NABIP's New & Improved E&O Insurance Program – Exclusively for You!

We are thrilled to announce the launch of the revamped NABIP E&O Insurance Program! In partnership with CalSurance, a national leader in errors and omissions coverage, we've developed this enhanced offering to deliver even more value and protection tailored to the unique needs of NABIP members and their agencies.

Enhanced Benefits and Competitive Rates

Our program has been specially designed to deliver competitive premiums that are customized for NABIP members and their firms, ensuring you receive the best value without compromising on essential coverage.

Streamlined 3-Minute Application Process

No more lengthy paperwork or complicated forms! With our new online application, you can complete the process in just 3 minutes. Get the coverage you need quickly and easily – it's as simple as that.

Expanded Coverage with a Member-Friendly Deductible

Our upgraded program includes a critical enhancement: defense costs no longer count toward your E&O insurance deductible, giving you peace of mind and greater financial flexibility in the event of a claim.
